Lions to Honor Tartar Athletes

Torrance High School athletes will be guests of the Annual Athletic banquet of the Lions Club Tuesday, October 17. The annual affair is the "day we honor those hard fighting Tartars," according to Lions Club officials.

HIGH PERCENTAGE . . . Bob Carrol, kicking at extreme left, gets off the second of his perfect kicks in the Tarbabe-Compton Bee game here last Thursday afternoon. Carrol placed two out of two in the game, his first of the season (and his career). Quarterback Jim Nady held for him each time. (Photo by Lee Weinstein).

San Diego Hosts Warrior Eleven Saturday Night

It'll be Conference clash No. 2 Saturday for the El Camino eleven when they travel south to take on Coach Bill Bailey's San Diego Knights in the border city.

The Knights, led by the deadly passing of quarterback Jim Mellos, opened the season two weeks ago by thumping Valley JC 31-6. Mellos pitched four TD passes in the fray.

With the exception of Mello, who is the lone firststringer returning from last year's Knight squad, Coach Bailey has a locker room full of first year men.

Amby Schindler, head coach at the Camino plant, is placing a lot of stock in a newly uncovered ground-eating combination made up of Danen' Don Miller and Dick Turner. Miller is reputed to be one of the hardest men in Junior college circles to put a tackle on—and with Turner running interference, the two are plenty tough.

Turner is a mean ball packer in his own right and averaged five yards a try in the first two games. He transferred to El Camino this year from UCLA where he was on the frosh aggregation there. He's an ex-Tartar.

Other Tartars who are showing up in the El Camino lineup are Dick Oefinger, Buddy Licht, and Boyd Crawford. Dick is in the first string line, and Buddy is a strong defensive player. Crawford backs up Paul Held in the QB slot.

Local Gridmen to Open League With a 'Crucial'

A clue to the football fortunes of the Tartars for the 1950 season will be given Torrance fans tomorrow evening when the local squad hosts the powerful Santa Monica eleven here in a game which starts at 8 o'clock.

If the Santa Monica bus should just happen to go off and leave four young Vikings in Santa Monica—it is doubted that anyone in Torrance will shed a tear for the visitors. The four men—traveling under the names of Williams, Paxton, Neal and Lugo—have shown that they can make a football do strange things.

STICKY FINGERS
Neal, who plays halfback, and Williams, who plays end, are as sticky-fingered a pair of pass-receivers as you could hope to see, according to those who have seen the Vikings work.

The other pair, Paxton who plays quarterback, and Lugo, who plays full and alternates at quarter, are as sharp-eyed a pair of passers as you could hope to see. In this case, two and two very often make six—the price of a TD.

Take last week, for instance. The Vikings came up against the Pomona eleven and trounced them 33 to 18. Lugo scored the first touchdown and passed to three others, while Neal was getting two touchdowns.

THEY'RE MEAN
"They look plenty mean, boy," was the ominous warning of Coach Cliff Graybell after seeing them play. Viking Coach Jim Sutherland has a new line coach this year in the person of Leon MacLaughlin, who was a standout at center the past couple of years for the UCLA Bruins. "MacLaughlin has that line looking terrific," according to Coach Rex Welch.

GRAY BACK
Tartar Bill Gray will be back in the lineup this week after missing the Compton game because of bruises suffered when he stopped a kickoff by Glendale here with his face. Gray says he's come to the conclusion that a much better way of stopping a whistling pigskin must exist. At least, he's ruled out the one he tried.

Tom Pryor was listed as a starter at right end for Cal Browning. Browning is suffering from an ankle injury, also received in the Glendale game here two weeks ago. Glyn Boyce is a new starter in the backfield. He will be in at right half tomorrow night.

The game with the Santa Monica Norsemen will open the 1950 Bay League season. Santa Monica is a strong favorite to cop the Bay title this year, along with Inglewood and Redondo. The Tartars will be out to upset the dopesters.

Midgets to Try Pretzel Track Sunday Afternoon

Next bunch of speed pilots to test the lengthened pretzel course at Carrol's will be the Midgets. It was announced this week.
